

OWNER'S MANUAL

ITEM: L-GZ238PST-11A

IMPORTANT:

Please read and follow all safety statements, warnings, assembly instructions, use & care directions before attempting to assemble.

1. When installing and assembling your gazebo, it is recommended that 2 or more adults are involved.
2. Do not use the unit during an electrical storm, as there is a remote chance of getting struck by lightening.
3. Do not climb on top of the gazebo. Falling off the gazebo can result in serious injury, possibly even death.
4. Do not leave the gazebo assembled when there is a risk of high wind, as possible damage will occur to the structure.
5. Never barbecue under this gazebo or use lanterns that contain naked flames.
6. This package contains small items and plastic bags that should be kept away from children.
7. Ensure that all connectors & poles are firmly secured in position fully. It is important to do so before use so as to avoid collapsing or damage to the item, which could result in injury.
8. WARNING: Keep flame and heat sources away from the gazebo fabric. The fabric may burn if it is exposed

to prolonged contact with a source of heat. The application of any foreign substance to the gazebo fabric may render the flame-resistant properties ineffective.

Tools required: Ladder, Hammer Screwdriver (not included)
